## Series Ambiente K

WALL MOUNTED

The Ambiente K light fitting was created in cooperation between Chors and designer Piotr Kalinowski. Undoubtedly, it attracts attention from the first glance, being a beautiful piece of decoration for the interior. It can easily replace a painting or sculpture, while giving delicate, pleasant, and very-moody, light.

Supplementary accent lighting. Ideally complements bedrooms, living rooms or corridors both at home and in the office, club, gallery or hotel.
